1. Faiza wrote down the colour of 20 students' school bags.

Here are her results.

| Black | White | Black | Red | Black | White |
| :--- | :--- | :--- | :--- | :--- | :--- |
| White | Black | White | Blue | Pink | Black |
| Red | Blue | White | Black | Black | Blue |
| Black | White | Pink | Blue | Black | Black |

(a) Complete the tally chart to show this information.

| Bag colour | Tally | Frequency |
| :--- | :--- | :--- |
| Black |  |  |
| Blue |  |  |
| Pink |  |  |
| Red |  |  |
| White |  |  |

(b) Complete the pictogram to show this information.

| Black |  |
| :--- | :--- |
| Blue |  |
| Pink |  |
| Red |  |
| White |  |

Key $\square$ represents 2 bags

## 2. Liam asks some students

"Out of these four art books, which is your favourite?"
The incomplete pictogram shows information about the number of students whose chose art deco and impressionism.

| Art Deco | $\boxed{ }$ | $\boxed{\square}$ | $\boxed{\square}$ |
| :--- | :--- | :--- | :--- |
| Impressionism | $\square$ | $\square$ | $\square$ |
| Surrealism |  |  |  |
| Art Nouveau |  | $\boxed{\square}$ |  |

Key $\square$ represents 4 students

| Computers | $\square$ | $\square$ | $\square$ | $\square$ |
| :--- | :--- | :--- | :--- | :--- |
| D.V.D players | $\square$ | $\square$ | $\square$ | $\square$ |
| Headsets | $\square$ | $\square$ | $\square$ | $\square$ |
|  | $\square$ |  |  |  |
| Televisions |  |  |  |  |

300 headsets were sent out for delivery in December.
400 televisions were sent out for delivery in December.
Use this information to complete the pictogram.
4. Haleema wrote down the hair colour of some models in a magazine.

Here are her results.

| Brunette | Red | Black | Brunette | Blonde | Brunette | Black |
| :--- | :--- | :--- | :--- | :--- | :--- | :--- |
| Brunette | Black | Blonde | Black | Red | Brunette | Black |
| Red | Black | Black | Blonde | Blonde | Black | Red |
| Black | Brunette | Black | Black | Brunette | Black | Brunette |

(a) Complete the tally chart to show this information.

| Hair colour | Tally | Frequency |
| :--- | :--- | :--- |
| Black |  |  |
| Blonde |  |  |
| Brunette |  |  |
| Red |  |  |

(b) Complete the pictogram to show this information.

| Black |  |
| :--- | :--- |
| Blonde |  |
| Brunette |  |
| Red |  |

Answers

1. School bag

Bag colour: Frequency Black: 10

Blue: 4
Pink: 2
Red: 2
White: 6

FYI: 2 correct frequencies M1, all correct frequencies A1

## Bag colour: Number of squares Black: 5 <br> Blue: 2 <br> Pink: 1 <br> Red: 1 <br> White: 3

FYI: one row of pictogram correct - allow use of "their" data from (a) M1
2. Art book

Surrealism: 2 frames
Art nouveau: 3 frames
3. Tech

Headsets: 3 boxes
Televisions: 4 boxes
4. Hair colour

Hair colour: Frequency
Black: 12
Blonde: 4
Brunette: 8
Red: 4

FYI: 2 correct frequencies M1, all correct frequencies A1
Hair colour: Circles
Black: 3
Blonde: 1
Brunette: 2
Red: 1
FYI: one row of pictogram correct - allow use of "their" data from (a) M1
