

1. Write down the areas of the rectangles cut out from this grey centimetre squared paper.

area (7) Q1: (a) 33 (b) 40 (c) 18, Q2: top: 26, left: 27, right 30

1. Write down the areas of the rectangles cut out from this grey centimetre squared paper.

2. A maths teacher hid part of each rectangle with a large white circle.

Area = cm^2

Area = cm^2

Area = cm^2

Write down the area of each rectangle.

2. A maths teacher hid part of each rectangle with a large white circle.

Area = cm^2

Area = cm^2

Area = cm^2

Write down the area of each rectangle.
