

1. Jakob managed 23 keepie-uppies and Ivan managed 47 keepie-uppies
Ivan managed more keepie-uppies than Jakob
How many more?

1.

2. In a farm hedge there are 62 field maple trees and 97 hawthorn trees.

How many more hawthorn than field maple trees are there?

2.

3. From the windows of their homes Malika can see 21 trees and Luna can see 68 trees.

How many more trees can Luna see than Malika?

3.

4. Between 2018 and 2020 the Office for National Statistics did some calculations about life expectancy. {F.Y.I. The number of years we can expect someone to live for.}

<https://www.ons.gov.uk/peoplepopulationandcommunity/healthandsocialcare/healthandlifeexpectancies>

Women living in the south east of England had a life expectancy of 84 years but women living in north east of England had a life expectancy of 82 years.

A woman from south east can expect to live more years than a woman from the north east.

How many more years?

4.
