

1. Last weekend Lara picked 139 kilograms of strawberries.

She earns 54 pence per kilogram for her strawberries.

Work out how much Lara is paid for the strawberries she picked last weekend.

1. ....

2. Phoebe earns £3.57 per day for dog walking.

In February she did 28 days of dog walking.

Work out how much Phoebe is paid for dog walking in February.

2. ....

## Answers

1. £75.06 because  $69.50 + 5.56$  or  $54.00 + 16.20 + 4.86$  or Gelosia:

$$\begin{array}{r} 0/5 \quad 1/5 \quad 4/5 \\ 0/4 \quad 1/2 \quad 3/6 \end{array}$$

2. £99.96 because  $71.40 + 28.56$  or  $84.00 + 14.00 + 1.96$  or Gelosia:

$$\begin{array}{r} 0/6 \quad 1/0 \quad 1/4 \\ 2/4 \quad 4/0 \quad 5/6 \end{array}$$
