

1. In maths $6 + 10 = 16$

In english six **add ten** = sixteen

So **add ten** in maths gets compacted to **teen** in english.

Some other spellings are compacted too.

Complete the table below using these hints

- instead of **three** we write **thir**
- instead of **five** we write **fif**
- instead of **eight** we write **eigh**

three	four	five	six	seven	eight	nine
$3 + 10 = 13$	$4 + 10 = 14$	$5 + 10 = 15$	$6 + 10 = 16$	$7 + 10 = 17$	$8 + 10 = 18$	$9 + 10 = 19$
	fourteen		sixteen	seventeen		nineteen

place value	three	four	five	six	seven	eight	nine
0 to 99	$3 + 10 = 13$	$4 + 10 = 14$	$5 + 10 = 15$	$6 + 10 = 16$	$7 + 10 = 17$	$8 + 10 = 18$	$9 + 10 = 19$
(3) answers	thirteen	fourteen	fifteen	sixteen	seventeen	eighteen	nineteen

1. In maths $6 + 10 = 16$

In english six **add ten** = sixteen

So **add ten** in maths gets compacted to **teen** in english.

Some other spellings are compacted too.

Complete the table below using these hints

- instead of **three** we write **thir**
- instead of **five** we write **fif**
- instead of **eight** we write **eigh**

three	four	five	six	seven	eight	nine
$3 + 10 = 13$	$4 + 10 = 14$	$5 + 10 = 15$	$6 + 10 = 16$	$7 + 10 = 17$	$8 + 10 = 18$	$9 + 10 = 19$
	fourteen		sixteen	seventeen		nineteen

2. (a) Complete this table using: thirteen eighteen fifteen

three	four	five	six	seven	eight	nine
$3 + 10 = 13$	$4 + 10 = 14$	$5 + 10 = 15$	$6 + 10 = 16$	$7 + 10 = 17$	$8 + 10 = 18$	$9 + 10 = 19$
	fourteen		sixteen	seventeen		nineteen

(b) Complete these hints about how the numbers 13 to 19 get compacted using the table.

- instead of we write **eigh**
- instead of we write **fif**
- instead of we write **thir**
- instead of **add** we write **teen**

3. Copy out the “teen” numbers in words

13	14	15	16	17	18	19

2. (a) Complete this table using: thirteen eighteen fifteen

three	four	five	six	seven	eight	nine
$3 + 10 = 13$	$4 + 10 = 14$	$5 + 10 = 15$	$6 + 10 = 16$	$7 + 10 = 17$	$8 + 10 = 18$	$9 + 10 = 19$
	fourteen		sixteen	seventeen		nineteen

(b) Complete these hints about how the numbers 13 to 19 get compacted using the table.

- instead of we write **eigh**
- instead of we write **fif**
- instead of we write **thir**
- instead of **add** we write **teen**

3. Copy out the “teen” numbers in words

13	14	15	16	17	18	19
