1. Complete the labels on each of these probability lines.

- (c)  $\frac{0}{-}$   $\frac{1}{-}$   $\frac{2}{-}$  = 1
- 2. Write down the probability the cross shows on these probability lines.

- $\begin{pmatrix} c \\ 0 \\ 1 \\ 0 \end{pmatrix}$
- 3. A probability is shown on this probability line with an arrow.

Write down the probability shown as a fraction. (3) . . . . . . .
