6. There are 240 students in year 10.

$\frac{1}{8}$ of the 240 students have a rabbit.

Work out how many of the students have a rabbit.

7. There are 240 students in year 10.

$\frac{3}{8}$ of the 240 students have a cat.

Work out how many of the students have a cat.

8. There were 45 days in Leo's summer holiday of 2021.

Sadly for Leo $\frac{2}{5}$ of the 45 days were rainy.

Work out how many days of Leo's summer holiday were not rainy.
