4. Draw the graph  $x = -3$  on the first grid and the graph  $y = -1$  on the second grid.

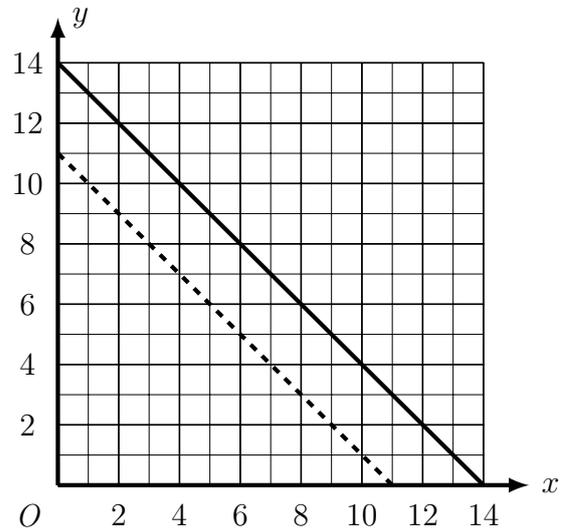

Answers

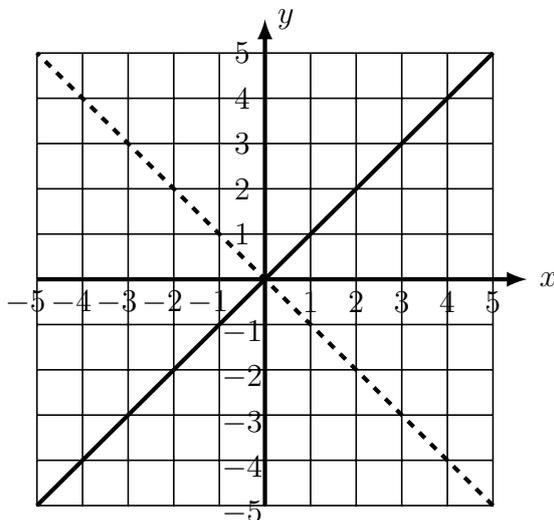

1)  $x = 8$  and  $y = 11$

2)  $x + y = 14$  and  $x + y = 11$  (dashed)

3)  $y = x$  and  $y = -x$  (dashed)

4)  $x = -3$  and  $y = -1$  (dashed)
