1. Some practice questions and a student's answers are written in the table below.

| Question | OK answer | Your more mathematical answer |
|---|---|---|
| Simplify $3 \times h \times g$ | $3hg$ | |
| Simplify $r \times r$ | $rr$ | |

Write each answer more mathematically in the table.

2. Some practice questions and a student's answers are written in the table below.

| Question | OK answer | Your more mathematical answer |
|---|---|---|
| Simplify $n \times n$ | $nn$ | |
| Simplify $k \times 3$ | $k3$ | |

Write each answer more mathematically in the table.

3. Some practice questions and a student's answers are written in the table below.

| Question | OK answer | Your more mathematical answer |
|---|---|---|
| Simplify $3 \times n \times m$ | $3nm$ | |
| Simplify $y \times y$ | $yy$ | |

Write each answer more mathematically in the table.

4. Some practice questions and a student's answers are written in the table below.

| Question | OK answer | Your more mathematical answer |
|---|---|---|
| Simplify $x \times x$ | $xx$ | |
| Simplify $e \times 2$ | $e2$ | |

Write each answer more mathematically in the table.

Answers

1. $3gh$
   $r^2$

2. $n^2$
   $3k$

3. $3mn$
   $y^2$

4. $x^2$
   $2e$
